EGG CLASSES

The show features three main judging divisions, the SHELL Classes, the CONTENTS Classes and the ever imaginative DECORATING Classes. The classes are divided by color and size, including both large fowl and bantam sized eggs, with categories that anyone can enter, even if you just have one egg. Our esteemed Egg Show judge and is available for questions before and after the show.

SHELL Classes 1-7 are divided into White Class, Brown Class, and Colors Class, including blues, greens, olives, pinks, pastels, and tinted. The Tricolor Class requires three different colors or shades of eggs in each entry. The Single Egg Class 8, includes a single egg from your chickens and all other kinds of poultry. If you have an odd egg, small egg, large egg, beautiful egg, this is the Class to enter.

CONTENTS Classes 9-10 in both bantam and large fowl are judged on their interior qualities. A single egg entry is cracked open and judged on the color, shape and form of the yolk and albumin, and on the freshness and visibility of the structures of the egg. Pick your freshest egg and see how it stands up to the rest!

DECORATING Classes 11-12 allow participants to go wild and use your creative imagination. We will have two classes: a judge's choice for single-egg best use of color, decorations and creativity. Secondly the People's choice for best single or multi-Egg themed (diorama) presentation. This has become a crowd favorite with highly creative use of eggs.

AWARDS

This show has with two classes: Open Adult or Youth with 12 categories. A Grand Champion, Reserve Champion and Junior Champion will be awarded at the conclusion of the show, based on cumulative points. We allow two entries per category, so the more entries you make, the additional opportunities to earn points towards the top honors. This show is part of the Georgetown 4-H and Brazos Valley Poultry Club Egg Shows, and points are added to the yearly Bluebonnet Egg show total. Lots of fun, awards, trophies and ribbons. Entries accepted until judging begins, space permitting.
